

# HR Compliance and Health & Safety Core Package

## Getting you compliant and protected, fast ...

This package is tailored for Small Businesses (typically 5-10 employees), who want to meet HR and Health & Safety legal requirements — without paying for ongoing support.

## Benefits of our Core Compliance Package

- We can get you legally compliant and protected within just 21 days\* of signing up — with no ongoing fees
- Peace of mind and up-to-date professional documentation from day one.

## What's Included – HR Compliance

- Custom Employment Contract Templates
- Employee Handbook (sick leave, holidays, disciplinary and grievance, etc.)
- Statutory Compliance Check for legal basics (working hours, pay, breaks)

## What's Included – Health & Safety

- Basic H&S Policy tailored to your business
- Risk Assessment Templates
- Accident Reporting Guide & Emergency Procedure Overview

## Why This Package Works

- This package ensures your business is legally compliant and protected — without tying you into ongoing fees. It's designed to give you peace of mind from day one.

# HR Compliance and Health & Safety Core Package

## What You'll Receive

- 40minute intro session to understand your needs
- Full HR and H&S compliance audit
- All policy and contract templates, customisable to your company branding
- 1-hour walkthrough session to help you feel confident and ready to use your tailored policies and documents

## Pricing

- One-Time Compliance Package: £650 Includes full setup, all documents, and personalized support sessions.
- (For organisations with more complex needs, such as Safeguarding / Safer Recruitment contact us to discuss pricing.)

## Ongoing Support packages

- Enjoy a £650 discount on our ongoing service package when you choose to continue after your compliance setup.
